We are the Special Needs Alliance

Special needs require special attorneys.

The Special Needs Alliance is a national non-profit collective of attorneys dedicated to disability and public benefits law. SNA member attorneys understand the difficulties of this area of law professionally and personally, as many are family members of individuals with special needs, or are active within the disability community.

Born out of a collective belief that individuals with special needs have a right to representation that considers the added dimension of their quality of life, the Special Needs Alliance works to protect the financial future of these individuals and their families.

Special Needs Alliance members are available nationwide. To contact a member in your area, call 877-572-8472, or visit us online at www.specialneedsalliance.com.

Helping Families, Helping Professionals

The SNA mission is twofold: assist clients in locating experienced disability and public benefits attorneys in their area, and we assist other professionals and settlement companies in personal injury and medical malpractice matters involving clients with special needs.

Protecting Future

The Special Needs Alliance understands that disability and public benefits laws provide opportunities for abuse and mismanagement that may threaten the financial futures of individuals with special needs. These could include the loss of Supplemental Security Income (SSI), Section 8 Housing, and Medicaid. SNA member attorneys work to protect these assets and strive to ensure that all potential benefits remain available.
